

Sound and Music Ministry

The Sound and Music Ministry is a great way for children, teens, and adults to get involved in church ministries. Special music, both vocal and instrumental, is always welcomed and encouraged in the worship services. The instrumentalists in the church always have a place to play during the song service.

To keep everything sounding its best, the church has a state of the art sound system. It is perfect for those who are more “behind the scenes” kind of people.

Children's Ministries

The Children's Ministries are comprised of three different areas of ministry:

Nursery

The nursery is an integral part of the worship service. Volunteers are scheduled for each service of the month. These volunteers take care of our precious children, ages infant to two years old.

Children's Church

Children's church takes place the same time as the worship service on Sunday mornings. Children ages 4-12 years old can participate in Children's Church. There, the children sing songs, participate in activities, and hear “messages” from God's Word about Jesus and many other people from the Bible.

Children's Choir

Children's Choir is the newest addition to the Children's Ministries. Our children have great passion for singing and are adorable while doing it. We strive to direct their passion for singing into God-honoring music. The Children's Choir is available to children, ages 6 – 12 years old.
